

## Hotels close to Western Carolina University Asheville Campus for *Neurofeedback in a Clinical Practice*

See the [www.flyavl.com](http://www.flyavl.com) website, "passenger services" page to see options for car rentals, buses, taxis, and shuttles. The airport is about 10 minutes from Biltmore Park and 20 minutes from downtown Asheville. Airport check-in and security lines are mercifully short. Allowing an hour and a half prior to departure is plenty.

Western Carolina University
