There is no charge for parking. All students/faculty/staff & visitors to WCU @ Biltmore Park **MUST** park on levels 3, 4, or 5 of the parking garage. Parking in any other location is subject to towing and fines.

Biltmore Park has many different shops, restaurants, and accommodations in walking distance. There's a mix of pricier and more casual, less expensive options available. Most people just walk to whatever restaurant appeals to them during our lunch break. Some people bring their own lunches and there's a fridge in the student lounge which participants can use for that purpose.
